

*It is my promise that I will never hold your images hostage.  
All my session packages from the ground up include basic  
processing for color and tone, full printing rights and a CD  
of your high resolution images.*

## Standard Rights & Retouching

Includes:

All Session Images on CD

Print-Ready Retouching

Full Printing Rights

\*Note: Print-Ready retouching is only basic processing to ensure proper colour and tone on all images before printing.

Cosmetic retouching is not considered standard. Removal of small distractions (stray hairs, blemishes, etc..) are considered as cosmetic retouching and can be purchased seperately or as part of a collection.
